

Information Sheet

Pocket Toner® NX1

The best tool for identifying and basic testing of singular coax cables

PTNX1 is the latest patented version of the classic black Pocket Toner® first invented by Gale Corporation over 20 years ago. For the first time, test live cables (AC/DC 6v-48v) with confidence that the tool will not be damaged. Testing coaxial cables for continuity and shorts has never been easier!

2 buzzers indicate continuity with loud tones
(one buzzer in main unit and one in the toner unit)

Nickel-plated brass connection fittings
(replaceable)

Low voltage circuit protection inside
(6v-48v)

Lightweight aluminum construction

Bi-gender Toner Unit with Speed 81™

Extra bright bi-colored LED
(red=short, green=continuity)

AAA battery

Removable Toner Unit

Part #: PTNX1
Price: \$31.95
